

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 3004 - SB 2934

March 7, 2012

SUMMARY OF BILL: Creates a Class A misdemeanor offense, with a maximum fine of \$5,000, for a person to intentionally use a device designed to amplify or increase the visibility of an individual to obtain a photograph of that person for a commercial purpose where the person using the device knows that the victim is located in a private place where the victim has a reasonable expectation of privacy and the victim has not given consent to be photographed.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- There will not be a sufficient number of misdemeanor prosecutions for state or local government to experience any significant increase in revenue or expenditures.
- Any increase in caseload for state or local courts can be accommodated within existing judicial resources without an increased appropriation or reduced reversion.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "Lucian D. Geise".
